PROFESSIONAL SUMMARY

Passionate and self-directed Frontend & React Developer currently studying Mathematics at National University, Bangladesh (2025 – Present). Solid academic excellence with a GPA of 5.00 in SSC and 4.67 in HSC. Proficient in React.js, TypeScript, JavaScript (ES6+), and Tailwind CSS, with experience architecting responsive web applications like DevStack and DevConf 2026. Adept at translating mathematical logic and problem-solving into clean, maintainable, user-friendly frontend code and seeking an entry-level junior frontend role.

TECHNICAL SKILLS

Core Frontend: React.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, React Router, Component Architecture
Tools & Workflow: Git, GitHub, Vite, npm, Chrome DevTools, Vercel, GitHub Pages
Engineering Practices: Component-Driven Design, Responsive Layouts, Semantic Markup, Clean State Handling, Fast Load Times
Analytical Strengths: Mathematical Logic, Algorithmic Thinking, Rapid Learning, Rigorous Attention to Detail

FEATURED PROJECTS

DevStack — Development Stack Builder [2026] • Live Demo | GitHub Repository

Tech Stack: React 19, TypeScript, Tailwind CSS, Vite, React Toastify

- Architected an interactive web application allowing users to browse and dynamically build personalized tech stacks.
- Engineered real-time state manipulation with TypeScript interfaces and responsive UI feedback using Tailwind CSS.
- Integrated dynamic toast notifications and structured educational React Q&A content.

DevConf 2026 — Developer Conference Platform [2026] • Live Demo | GitHub Repository

Tech Stack: HTML5, CSS3, Font Awesome, Responsive Design

- Built a complete, pixel-perfect developer conference landing page from scratch with semantic HTML5 and modern CSS3.
- Created a mobile-first responsive layout including speaker showcase, 3-day conference schedule, and tiered ticket pricing.
- Achieved cross-device compatibility and zero external JavaScript dependencies for maximum performance.

Portfolio v1.0 — Fun Vibe Coded Web App [2026] • Live Demo | GitHub Repository

Tech Stack: HTML5, CSS3, JavaScript (ES6), Font Awesome, GitHub Pages

- Hand-crafted personal portfolio website featuring interactive Calculator and Student Management System.
- Engineered responsive mobile-friendly layouts and smooth section navigation using vanilla DOM methods.
- Configured continuous automated static deployment and repository hosting via GitHub Pages.

EDUCATION

B.Sc. (Honours) in Mathematics — National University, Bangladesh **(2025 – Present)**
Currently Studying. Developing strong analytical and mathematical problem-solving skills.
Relevant Coursework: Discrete Mathematics & Logic, Linear Algebra & Matrices, Calculus, Computational Thinking, Data Structures.

Higher Secondary Certificate (HSC) – Science — Satkhira Govt. College, Satkhira **(2022 – 2024)**
Grade: GPA 4.67 / 5.00. Focus on Higher Mathematics, Physics, and ICT.

Secondary School Certificate (SSC) – Science — Nalta High School, Satkhira **(2019 – 2021)**
Grade: GPA 5.00 / 5.00 (Golden A+). Highest academic distinction.

CERTIFICATIONS & TRAINING

Complete Web Development Bootcamp (MERN) — Online Learning Academy (2026)
Built 10+ web applications covering React, Tailwind CSS, JavaScript ES6+, and component architecture.

Responsive Web Design Certification — freeCodeCamp (2026)
Demonstrated mastery in HTML5, CSS3 Grid/Flexbox layouts, and accessibility standards.

JavaScript Algorithms & Data Structures — freeCodeCamp (2026)
Verified competency in ES6+, functional programming, and algorithmic problem-solving.

SOFT SKILLS & LANGUAGES

Soft Skills: Analytical Problem Solving, Fast Learner & High Adaptability, Collaborative Teamwork, Attention to Detail, Time Management.
Languages: Bengali (Native), English (Professional Working Proficiency).
